Howdy! Howdy!

April 2015

The 35th Anniversary of Mountain View Baptist Church in Hesperia, CA included dedication of the beautiful new courtyard, and 7 messages on Legacy, a topic suggested by Pastor Daren Dilts and taken from Judges chapter one.

We are grateful for extra help sent. Reluctantly, I am the designated "mechanic" for our automotive problems, but some repairs had to be taken to a professional.

My first official sermon, "Prepare to Meet Thy God," was preached in front of the old J.C. Penney's store on 16th Street in Omaha, NE on March 17, 1966. I substituted for Arnold Busenitz, a senior student who was ill. The sermon lasted about five minutes! This year on March 17, I signed an agreement to publish a book to be entitled, **A Name Forgotten**. Pray that they will print before Thanksgiving.

Being home has provided time for study and preparation. I am still reading each footnote and cross reference in the Henry M. Morris Study Bible. Visiting a new convert in jail, and praying with friends in ministry enduring difficult trials, we are on the phone late and early as we minister to needs in other time zones.

Sharen continues Life Coaching for various problems: addiction, marital crisis, grief processing, financial issues, child rearing, and other problems. Appointments are held at a neutral location, and a young man who works there recently visited church with us at Sharen's invitation. The mission field surrounds us, wherever we go.

A dear friend, Donna Cullip who came to the Lord through our ministry in Casper, WY drove a long way, bringing her sister, and stayed over two nights of the meeting at Hesperia, CA. And, I got to spend several hours with Sharen's brother, Darrel and his wife Pat.

Upcoming meetings include several in Colorado at Garcia, Wheatridge, Broomfield, Brighton, Commerce City, and Colorado Springs. I am honored to offer public prayer in Cheyenne, WY at the Air Force Retirement of a great Christian patriot, Major Douglas Pietersma, whom I have known since he was in high school.

**He will bless! (Psalm 115:12-15)**
